I confirm, that I want harris to purchase items [Redacted] for the project but:

This only for items that we did not already provide them, as I believe that we may have already [Redacted]

Also, I would like them to pay for any services needed for the [Redacted] as well.

These [Redacted] would not become property of harris at end of contract, and shall be F bumbered.

This is my opinion, and think [Redacted] will make final call on this.

Hi [Redacted]

Just to be clear - you do not want to issue them [Redacted] for any of the 4 items listed in the attachment. Instead you would like Harris to purchase these with funding from the task order once awarded. Please be advised that they will be tacking on [Redacted] to these purchases, i.e. [Redacted]

Please confirm.
